

Investing for Success

**Under this agreement for 2017
Emerald North State School will receive**

\$108,073*

This funding will be used to

Support our Key Priority Improvement Areas of Reading, Mathematics and Attendance.

- NAPLAN Reading: 30% of Year 3 and Year 5 students will achieve in the upper two bands (U2B).
- NAPLAN Reading: Year 3 students will have a 50 point increase in Mean Scale Score and the Year 5 students will have an 80 point increase in Mean Scale Score.
- PM Diagnostic Reader Levels
 - 50% of Prep Students at or above PM Level 8
 - 60% of Year 1 students at or above PM Level 20
 - 70% of Year 2 students at or above PM Level 26
- Improvement of student attendance by 2%.
- Full implementation of the YUMI Deadly Mathematics program.

Our initiatives include

- Coach and monitor teachers in best practice for reading using the BMA Emerald/Capella Cluster project framework and resources.
- Build teacher capability in analysing student reading data to develop differentiated programs to improve student performance.
- Implement continuous assessment strategies and review benchmarks used to monitor student progress and inform teaching and learning: correlation of formative assessment, summative assessment and data collection, using Classroom Dashboard.
- Implement the Early Years Flying Start program, correlate with the Literacy Continuum to execute a tracking tool across the P-2 cohort.

Our school will improve student outcomes by

- Develop teacher capability in Reading and Mathematics through mentoring and pedagogical coaching: \$20,000.
- Additional teacher aide to support the structures of intervention for the P-2 Cohort: \$16,830.
- Additional teacher aide to support the learning outcomes of Indigenous students: \$16,830.
- Implement extension programs for high potential students, including IMPACT projects: \$10,000.
- Site based curriculum programs to enhance intervention & extension strategies: \$13,000.
- Additional teacher support of 0.2 FTE to support intervention and extension programs: \$15,000.
- Employ a teacher aide to support data entry processes: \$2,000.
- Employ a teacher aide to conduct a life skills program for target specific students: \$14,413.
